

School Tuition Discounts

Method 1: Pay cash in full for your out of pocket portion of tuition before midnight August 20, 2020. This will entitle you to a 10% discount and you will save up to **\$730!!** Checks are acceptable.

Method 2: Apply for a Carson Smith Scholarship and subtract the awarded scholarship funds from the \$7300 tuition total.

Method 3: Combine Method 1 and 2 for the greatest discount! Receive a Carson Smith Scholarship and then pay your out-of-pocket cash in one lump sum to receive a 10% discount on the out of pocket amount.

Out-of-pocket tuition can be divided over 9 monthly payments payable by Venmo or Credit Card.

With no discounts, your monthly tuition fee is: \$811/month and you need to pay the first month's tuition before school begins.

To calculate your monthly payment for out-of-pocket tuition, simply take the difference after Carson Smith Scholarship funding and divide by nine. The first month's tuition is due before school begins and other payments are due at the first of the subsequent months.

Please read our terms and conditions for more details about tuition.
